Developing A Winning Attitude

Did you know that your attitude comes from how you think? If you think you are a smart person, then your attitude may show that you are confident and secure. If you think you can organize and manage a project, then your attitude may be that you are assertive and decisive. One is not without the other.

A winning attitude comes from what you are thinking about and what you allowing to be fed into your spirit. If you are hearing negative things all the time, then it will make it hard for you to have a winning attitude. Your attitude will more then likely be a "can't do" one. However, if you are surrounding yourself with the truth of God's Word in your heart, then your attitude will be one of, "no matter what, I am able." Which one sounds better to you?

Developing a winning attitude, comes from you not giving up anytime you have had a hiccup or mishap. It comes from building the proper image of yourself on the inside. It comes from knowing that you were created for greatness and there is more of you to be discovered. It comes from surrounding yourself with those of like mind. It comes from listening to what God says about you and not people or circumstances. It comes from a "want to", mindset.

Developing means, on going and continual. Don't ever get complacent with where you are, there is still more of who you are to come forth. Declare today, that you were born for greatness and you can fulfill your purpose. You are well able!

Do You *Really* Know, God Loves You?

John 3:16, truly shows us what God thinks of us. He thought so much of us, even before we got here, to give the most precious seed He could give us, His Son Jesus. You have to know, that in order for God Almighty to do this for us, it is not a small deal. The other side to that is, Jesus also had to think much of us, in order to allow Himself to die. Giving of self and dying of self, what selfless acts these are.

It's more than a notion, to just say, "God loves me." He, lovvvvveeeeeessss, you! Excuse the spelling, but it's that serious. He loves you beyond measure. I hope you are getting this, deep down in your spirit. God loves you!

I feel that a lot of what is going on, all around the world today, are a result of two things. First, people do not know who they are and second, people don't know that they are truly loved by God. The enemy has tricked people, even some of the church, into thinking, that they are not that special, for God to love them so much. That they are so bad, that He could never forgive them. That they are not accepted and God is mad at them. All these lies!

Jesus Rose Again

He rose again to show you how special you are. He rose again to show you how much you are loved. He rose again to show you that He accepts you and that He is not mad at you. Take the time to meditate on this.

He Is Forever Mindful Of You

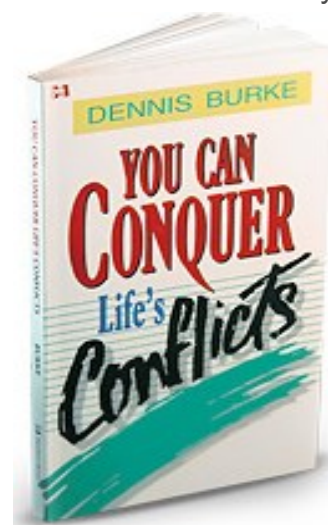

God thinks about you everyday, every minute, every second. He never stops thinking of you. Even with all the people in the world, He never stops thinking of you. *Selah...*

Relational Keys

Truth on our Identity...

Every year so many people set goals and try to redefine themselves. We put new demands on ourselves, we invest all kinds of money on "Personal Development", but the Truth is in the Truth... Did you get that? The truth is in the Bible.

Galatians 3:26 says, "For ye are all children of God by faith in Christ Jesus". What may sound so simple, really is a profound truth and goes much deeper than this statement.

It starts with your Origin. Yes, you have a mother and a father, but Jeremiah 1:5 says, "Before I formed you in your mother's womb I knew you". Who is speaking here? God the Father, The Creator of the universe.

You were predestined! If you're still not sure, read Ephesians 1:5, it confirms it. Don't you see? Don't let the world define you, people define you... Once you grab hold of The Truth, nothing can ever stop you but you! Only believe!
